

II CIRCULAR

XII International Sessions of Spanish History 2022 Hispanic worlds History – Culture - Heritage

Buenos Aires, September 8th and 9th, 2022

The “XII International Sessions of Spanish History” with the title “Hispanic Worlds: History – Culture – Heritage” bring the propose to continue the history of reflexion encounters on the historical path of the Hispanic world, from a thematic and methodological-historiographical point of view. This new edition will focus on the links between the Mediterranean, Atlantic and Pacific spaces (both inland and marine), their own characteristics – human characteristics, characteristics of their ideas and characteristics of their goods – on the *longue durée*; special attention will be paid to the topics related to explorations and transfers, constructed and conserved heritages, the development of permeable borders, migrations and identities.
